## American Spirit Motor Oil

SAE 20W-50

A heavier-bodied multiviscosity motor oil.

### APPLICATIONS INCLUDE:

- Resist thinning out at high operating temperatures,
- Provide improved control of oil consumption
- Greater bearing protection in high load applications

### PERFORMANCE:

- Recommended for use in cars, vans, pickup trucks, recreational vehicles, sports cars, marine engines, motorcycles and vehicles used for trailer towing. Meets the requirements for API Service SN.

### Typical Properties

<b>SAE Grade</b>	<b>5W-20</b>	<b>5W-30</b>	<b>10W-30</b>	<b>10W-40</b>	<b>20W-50</b>
Gravity, °API	33.8	33.03	30.8	31.1	28.4
Viscosity, cSt @ 100° C	8.7	10.5	10.3	14.2	19.5
Viscosity Index	150	153	140	148	121
Flash Point, °C	220	220	220	220	236
Pour Point, °C	-39	-39	-35	-30	-25
