

KING OIL, INC.
KING L.P. GAS INC.

Multi-Purpose Gear Compounds

Stable, non-foaming lubricants that provide EP protection for gears subjected to high loads.

APPLICATIONS INCLUDE:

- For use where a hypoid, multi-purpose, EP lubricant is recommended.

PERFORMANCE:

- Mack (GO-H, GO-J)
- API Service (GL-4, GL-5, MT-1)
- Military Specification MIL-PRF-2105E

Available in SAE 80W-90 and SAE 85W-140 viscosity grades

Typical Properties

SAE Grade	MP-571 80W-90	MP-573 85W-140
Gravity, °API	25.7	25.0
Viscosity, cSt @ 40° C	141	376
cSt @ 100° C	14.5	26.8
Viscosity Index	98	96
Pour Point, °C	-27	0

Serving you
