

KING OIL, INC.
KING L.P. GAS INC.

American Spirit Full Synthetic Motor Oil

SAE 10W-30

A high performance multiviscosity motor oil designed to meet specification is for high performing engines designed by General Motors.

IT PROVIDES:

- Easy starting benefits of an SAE 10W oil
- High temperature performance of an SAE 30 oil.

PERFORMANCE:

- Meets the requirements for an “Energy Conserving” oil. Recommended for use in engines which require an SAE 10W-30 motor oil designed for API Service SN. Licensed as an ILSAC GF-5 certified engine oil.

Typical Properties

SAE Grade	5W-20	5W-30	10W-30
Gravity, °API	34.5	34.02	32.8
Viscosity, cSt @ 100° C	8.7	10.5	10.5
Viscosity Index	150	155	140
Flash Point, °C	220	220	220
Pour Point, °C	-39	-39	-35
