

KING OIL, INC.
KING L.P. GAS INC.

Maraf fluid Super HT

A multi-viscosity all-season hydraulic and transmission fluid designed to meet the special lube requirements of most farm tractors and implements.

IT PROVIDES

- EP protection
- Oxidation and corrosion resistance
- Moisture dispersion capability
- Reduces brake chatter
- Maintains necessary power-take-off performance

APPLICATIONS INCLUDE:

- Transmissions, differentials, final drives and hydraulic systems

PERFORMANCE:

Meets the fluid requirements of farm equipment manufactured by:

- Allis Chalmers, J.I. Case, John Deere, Deutz, Ford, IH, Massey
- Ferguson, Oliver, Steiger, Versatile, White and others.

Typical Properties

SAE Grade

Gravity, °API	29.8
cSt @ 100° C	9.2
Viscosity Index	148
Pour Point, °C	-36
Zinc, % wt.	.12

Serving you

24 hours a day, 7 days a week

We take it personally.
